Graphic & Interactive Designer creating fresh yet familiar work, enhancing user experience and engagement. Committed to staying ahead of industry trends and delivering innovative, user-centric web solutions. Looking to learn, grow and contribute under the guidance of seasoned creatives.

## WORK EXPERIENCE

### **Messiah Press | Mechanicsburg, PA | May 2025 - Present**

Design Intern developing visual assets including logos, posters, t-shirts and others. I joined the in-house team and translated my creative briefs into well-developed, on-brand solutions.

### **Lamar Advertising | Lemoyne, PA | Jan 2022 - Jan 2023**

Worked with graphics in a hands-on environment, installing billboard advertisements and using time management skills with a rigorous billposting schedule.

### **Vintage Menswear Reseller | @noahbjack | 2016 - Present**

Leveraging my background and love for fashion, I independently source, price, and sell unique vintage clothing—focusing on band tees and archival designer pieces—through live virtual shows. I manage every aspect of the process, from sourcing and inventory management to engaging sales presentations and prompt order fulfillment.

## FREELANCE WORK

### **PORA Rebranding & Marketing Project | Harrisburg, PA**

Developed fresh logo concepts and a comprehensive marketing strategy aligned with the organization's current expanding mission. Presented the rebranding proposal to the board, sparking strategic discussions for the future brand direction.

### **VMCS Logo Project | Ghana, Africa**

Redesigned school crest for the Victoria Memorial Christian School in Ghana. This logo has been used in marketing materials and turned into fabric for the children's school uniforms.
